

2019 SC EPSCoR State Conference
Friday, April 12 | Greenville Marriott Hotel

Call for Sessions, Speakers and Poster Presentations

Deadline to submit is now **Tues, March 19, 5 pm EST**

SC EPSCoR Program invites speakers and poster presenters to submit abstracts for presentation at the Annual SC EPSCoR State Conference. This one-day conference is intended for faculty, researchers, undergrad and grad students and postdocs, as well as anyone who has an interest in STEM (especially materials science) research in the state.

Call for Podium and Poster Presentation Abstracts.

Abstracts may be submitted by undergrad and grad students, postdocs and faculty.

Call for Conference Session Proposals (90 minutes) are solicited on any of the **Vision 2025** and **NSF Big Ideas** topics and should be composed of four presentations on the same topic. Sessions that involve collaboration among institutions are encouraged.
